Special Note for Pastors and Sunday School Superintendents

Joyful Life Sunday school lessons are based on a 2-year cycle for 2s & 3s, Beginner, Primary, Middler, and Junior levels. Youth 1 and 2 are on a 3-year cycle.

We recommend that after each weekly lesson, the Sunday school superintendent collect any extra student materials. At the end of the quarter, the teacher materials, including visuals, should be organized in a closet to be used again after each 2- or 3-year cycle.

With this procedure, only the consumable student items need to be repurchased. This practice will minimize the cost of your Sunday school program.
